

25,000,000 Common Shares

This prospectus supplement supplements the prospectus dated April 1, 2022 (the “Prospectus”), which forms a part of our registration statement on Form S-1 (No. 333-262798). This prospectus supplement is being filed to update and supplement the information in the Prospectus with the information contained in our current report on Form 8-K, filed with the Securities and Exchange Commission on May 24, 2022 (the “Current Report”). Accordingly, we have attached the Current Report to this prospectus supplement.

This prospectus supplement relates to the potential offer and sale from time to time by the securityholder named in the Prospectus (the “Holder”) of up to 25,000,000 of our common shares, \$0.0000000341740141 par value per share (the “Common Shares”), that have been or may be issued by us to the Holder pursuant to a common shares purchase agreement, dated as of February 14, 2022, by and between us and the Holder, establishing a committed equity facility. We are not selling any securities under the Prospectus and will not receive any of the proceeds from the sale of our Common Shares by the Holder.

Our Common Shares are listed on The Nasdaq Global Market under the symbol “ROIV.” On May 23, 2022, the last reported sale price of our Common Shares was \$3.65 per Common Share.

This prospectus supplement updates and supplements the information in the Prospectus and is not complete without, and may not be delivered or utilized except in combination with, the Prospectus, including any amendments or supplements thereto. This prospectus supplement should be read in conjunction with the Prospectus, which is to be delivered with this prospectus supplement. If there is any inconsistency between the information in the Prospectus and this prospectus supplement, you should rely on the information in this prospectus supplement.

We are an “emerging growth company” under federal securities laws and are subject to reduced public company reporting requirements. Investing in our securities involves a high degree of risk. You should review carefully the risks and uncertainties described under the heading “Risk Factors” beginning on page 6 of the Prospectus, and under similar headings in any amendment or supplements to the Prospectus, including this prospectus supplement.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or passed upon the adequacy or accuracy of this prospectus supplement. Any representation to the contrary is a criminal offense.

The date of this prospectus supplement is May 24, 2022.

Item 2.02. Results of Operations and Financial Condition.

On May 24, 2022, Roivant Sciences Ltd. (“Roivant” or the “Company”) held an investor call in relation to the approval by the U.S. Food and Drug Administration (“FDA”) of VTAMA® (tapinarof) cream, 1%, an aryl hydrocarbon receptor agonist, indicated for the topical treatment of plaque psoriasis in adults.

The presentation used in connection with the investor call is available on Roivant’s investor relations webpage, accessible at <https://investor.roivant.com/>. The information contained on, or that may be accessed through, our website is not part of, and is not incorporated into, this Current Report on Form 8-K.

The presentation includes certain preliminary financial information for the fiscal year ended March 31, 2022. Specifically, the presentation discloses that Roivant’s consolidated cash and cash equivalents balance as of March 31, 2022 was approximately \$2.1 billion.

The information in this Item 2.02 is unaudited and preliminary and does not present all information necessary for an understanding of the Company’s results of operations for the fiscal year ended March 31, 2022. The audit of the Company’s financial statements for the fiscal year ended March 31, 2022 is ongoing and could result in changes to the information in this Item 2.02.

Item 7.01. Regulation FD Disclosure.

The disclosure in Item 2.02 above is hereby incorporated by reference into this Item 7.01.

On May 24, 2022, Roivant’s subsidiary, Dermavant Sciences, issued a press release announcing the FDA approval of VTAMA® (tapinarof) cream, 1%, an aryl hydrocarbon receptor agonist, indicated for the topical treatment of plaque psoriasis in adults. A copy of that press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

The information contained in Items 2.02 and 7.01, including Exhibit 99.1, shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or subject to the liabilities of that section or Sections 11 and 12(a)(2) of the Securities Act of 1933, as amended. The information shall not be deemed incorporated by reference into any other filing with the Securities and Exchange Commission made by the Company, regardless of any general incorporation language in such filing.

Item 9.01. Financial Statements and Exhibits.
